

# Health Plan Coverage Snapshot

One-page synopsis of the provided cost-sharing list (copays/coinsurance).

## •Big picture

- In-network coverage exists for most services, often as **50% coinsurance** for tests, facilities, and hospital services.
- Out-of-network is mostly **not covered**. Key exceptions: ER copay applies in- or out-of-network; ambulance is covered in- or out-of-network at coinsurance.

## •Doctor visits

- Primary care: **\$50** copay per visit (in-network); out-of-network not covered.
- Specialist: **\$115** copay per visit (in-network); out-of-network not covered.
- Preventive care: **\$0** (in-network); out-of-network not covered.

## •Testing & imaging

- Diagnostic tests and imaging: **50% coinsurance** (in-network); out-of-network not covered.

## •Pharmacy (in-network; out-of-network not covered)

- Preferred generic: **\$3** copay per prescription.
- Generic: **\$40** copay per prescription.
- Preferred brand: **\$195** copay per prescription.
- Non-preferred brand / non-preferred generic: **\$250** copay per prescription **after Rx deductible**.
- Specialty: **50% coinsurance after Rx deductible**.
- Mail order: **2.5×** retail cost-sharing.

## •Outpatient services (in-network; out-of-network not covered)

- Outpatient facility: **50% coinsurance**.
- Outpatient surgery (physician/surgical services): **50% coinsurance**.
- Outpatient lab/professional services: **\$60** copay per visit.

## •Inpatient hospital (in-network; out-of-network not covered)

- Hospital facility: **50% coinsurance**.
- Physician and surgical services: **50% coinsurance**.

## •Emergency & urgent care

- Emergency room *and* ER physician fee: **\$1,250** copay per visit (in- or out-of-network).
- Ambulance/emergency transport: **50% coinsurance** (in- or out-of-network).
- Urgent care: **\$60** copay per visit (in-network); out-of-network not covered.

## •Mental health & substance use

- Inpatient services: **50% coinsurance** (in-network); out-of-network not covered.
- Outpatient services: **\$50** copay per visit (in-network); out-of-network not covered.

## •Other notes

- Diabetes care management: **\$115** copay per visit (in-network only).
- Chiropractic care: **\$80** copay per visit (in-network only).
- Transplant benefit: **50% coinsurance** (in-network only).
- Rehab/habilitation, home health, durable medical equipment, hospice, and listed medical foods: **50% coinsurance** (in-network only).
- Hearing aids and skilled nursing facility: **not covered** (in- or out-of-network).
- Care management program: may be available via wellness screening.
